Miss Elizabeth Pitt,
Assistant Supervisor,
Eaton Girls' Club,
Toronto, Ont.

Dear Miss Pitt:

I do hope you are planning to attend the Fourth Dominion Convention of the Canadian Physical Education Association to be held in Vancouver from June 19th to 22nd, inclusive, 1939.

There is a general feeling I believe, that this Convention will be an outstanding one both from the point of view of the number of delegates who will attend and also because of the important discussions which will take place.

I am asking you as one of the outstanding leaders of recreational activities, including physical education, if you will be kind enough to take part as a speaker to the topic "THE PROGRAMME OF ADULT RECREATION" which will be before the whole Convention from 11:00 to 12:00 noon on Wednesday, June 21st.

Please do not think that we are requesting your assistance in this one particular. Rather do we hope that you will be able to give us the benefit of your training and experience in many other matters.

We shall be most grateful if you can see your way clear to accept this invitation, and we shall be proud indeed to have you on our programme. Will you kindly write me at your earliest convenience.

Yours sincerely,

W. G. Gordon Brandreth

Supervisor of Health and Physical Education.
Chairman, Programme Committee, C.P.E.A.

NATIONAL CONVENTION - VANCOUVER, B.C. - JUNE 19th to 22nd, 1939.

TORONTO 2, APRIL 20/39

Mr. W. Gardon Brandreth,
Chairman Programme Committee,
Canadian Physical Education Association,
VANCOUVER, B.C.

Dear Mr. Brandreth:

I have delayed answering your kind invitation to speak at the Canadian Physical Education convention in Vancouver as I had hoped I might be able to accept.

I find now that it is impossible for me to get away in June, as our Camp for women employees which opens May 20th, is already booked for four especially big events, and unfortunately I must be there at the time.

The subject chosen was one of great interest to me, as for the past fifteen years I have been working with American and Canadian College girls and business women.

I feel the convention is of extreme importance to all leaders of Physical Education, there is so much to be gained by exchanging and gathering new ideas.

I appreciate your asking me to Vancouver and it is with the deepest regret I must decline your kind invitation.

If I find at the last moment I can manager to just attend the convention, I shall look forward to meeting the western branch.

Best wishes for a most successful convention

Yours sincerely,

BOARD OF SCHOOL TRUSTEES

DEPARTMENT Health and Physical Education.

Dear Miss Pitt:

Thank you for your prompt reply to my request
of April 12th, 1939.

I can assure you that the Executive of the
B. C. Branch of the C.P.E.A. will be very disappointed
to learn that it will be impossible for you to be in
Vancouver during the forthcoming Convention. We had
so looked forward to your contributions in the field
of recreation.

However, we realize that your Camp is a very
important affair, and that it will be very difficult
for you to step aside to come to Vancouver. On the
other hand, should you find that at the last moment it
is possible to come to Vancouver we shall be delighted
indeed to welcome you.

Best wishes for a successful Camping season.

Yours sincerely,

W. Gordon Brandreth

Supervisor of Health and Physical Education.
